2016 central otago pinot gris

Colour

Bright straw yellow.

Nose

The nose is enough to make you squeal aromatic with spiced apple, apricot and honeysuckle.

Palate

The palate is irresistibly delicious, like a sip of sunshine textural and luscious, bright and elegant. Beautifully integrated acidity is balanced by our sheer winemaking genius just a hint of sweetness on the finish.

Viticulture

The vintage in Central Otago was another stonker very warm during the growing season, allowing for lots of super tasty grapes optimal ripeness at harvest.

Vinification

Specific parcels were selected for their deliciousness distinctive flavour profiles from vineyards in the middle of nowhere Central Otago. The grapes were harvested in the cool of night, gently pressed and fermented in a cold dark place at a cool temperature, using selected yeasts to make the wine aromatics and subtle spice shine. The wine was left on fermentation lees to make it taste even more awesome help soften and round the palate. This wine is the best ever captures the fruity and refreshing essence of Central Otago Pinot Gris.

Cellaring

This wine should be enjoyed while the juicy fruit flavours are still vibrant and fresh, so as soon as possible within 2 years of bottling.
