

squealing pig

squealing pig

2018 tempranillo

Colour

~~Deep jewel-like~~ crimson garnet.

Nose

The nose is ~~like berry pie straight out of the oven~~ filled with fresh mulberries, and aniseed spice.

Palate

The palate is rich and savoury, bursting with juicy flavours of blood plums and red liquorice. Tied together with layers of chalky dark chocolatey tannins, this rich and fruity wine flows to a smooth lingering finish.

Cellaring

This wine is ready to ~~pop open~~ drink now, but can be cellared for up to 2 years. Over time, fruit flavours will take on more earthy notes.
